This month, the highly anticipated 5 day Baqueira Ski trip took place, as students were able to take a break from studying and enjoyed both ski/snowboard lessons during the whole day as well as further team building activities within the town of Viella during the afternoons. This is the last year for diploma students to enjoy the school's annual ski trip, and was definitely a memorable one!

The Leadership Team in ISSPT is an essential role within student body; with the responsibility of representing the whole school whilst they adopt responsibilities and tasks, it is an opportunity for selected students to put their teamwork, communication, and critical-thinking skills into practise. Currently, the annual re-election of the Leadership Team 'Hustings' is taking place, as candidates go through a thorough selection process including motivation letters, speeches and interviews for the chance to be selected.

Art students visited Madrid and had the opportunity to visit the famous museum 'Reina Sofia' featuring the well-known 'Guernica' painting.

Additionally, diploma history students were able to enjoy a day trip visiting nearby historical sites and a museum in Toledo which complemented the course being studied at the moment.
